But we are told again and again sewage treatment plants are not a problem ... do we wait until the first child playing in the water falls ill to consider it a problem?

That now brings the total to 27 sewage spills in the 10 different communities since May 10th:

Burlington 7  
Rutland 6  
Middlebury 3  
Vergennes 2  
Saint Albans 2  
Montpelier 1  
S. Burlington 1  
Northfield 1  
Shelburne 1  
Hinesburg 1  
Wilmington 1  
Ludlow 1
